

## ODE Effectiveness Categories from 2009-2010 School Year

The Effectiveness Categories are based on effectiveness reports submitted to the Ohio Department of Education (ODE). They were compiled during the 2009-2010 school year for SES Providers who served Columbus City school children in the supplemental tutoring program. The following scale defines the effectiveness category:

Effective (40-57)

Needs Improvement (20-39)

Not Effective (0-19)
